Residents reducing wildfire risks

Neighborhood Contact

Firewise communities take action to become more resistant to wildfire and create safer neighborhoods. Neighborhood Contacts help the community by sharing and collecting Firewise information between their Banner Mountain neighbors.

You can learn more about our Firewise Community by visiting <https://bannermountain.org> and selecting Banner Mountain Firewise Community (BMFW).

A Neighborhood Contact:

1. Identifies the neighborhood street name(s) and addresses he or she will represent.
2. Develops an easy way to communicate with the identified neighborhood group.
3. Attends BMFC meetings or reviews the meeting minutes.
4. Shares provided information with their neighborhood group.
5. Encourages communication, cooperation, and self-reliance among the neighborhood group for emergency preparation.
